Events Updates	
Presenter	Alison Davis

Item Summary	<ol style="list-style-type: none"> 1. Mustang Marketplace update Melissa Cella is helping Alison do this. Last year we had 109 applications. This year we have 129 (81 booths). Encouraging a smaller table to accommodate everyone. MYP will sell cotton candy and a group for Penelope will be outside. Asking everyone to bring cash and small bills. This year we are going to donate to a member of our community that is fighting childhood cancer. December 16th from 11:30-1:30pm. 2. Carnival Update Each grade level oversees each event. This year Alison has a team of people to help coordinate the event. Erin Russo and Patty Fletcher helped, and it went very well. Weather was great and it all ran smooth. PTC funded face painting and balloon artist. That was a huge hit. Talking about bringing extra people to make line a little faster. MYP made close to \$600 on pizza, popcorn, cotton candy machine. Ticket sales shown on treasurer report. Goal was to cover the cost and we for sure made a little money, which is great. 3. Dine and Donate Update December 6th is Pizza Factory. Updates on locations and times will be sent via email.

Facilities Updates

Presenter Paula Valencia and Kristi Coupe

Item Summary	<ol style="list-style-type: none"> 1. Progress on staff bathroom Waiting for district approval to come out and approve the shed and location. We are waiting until after Thanksgiving to get an update on approval. 2. Playground balls Kristi went and bought 17 balls. Hoping to see if they last and then we can go from there to see if we need to buy better balls. They talked about building a fence behind wall balls to block from going balls going over. 3. Popsicle Freezer We found 2 options for this. 1) stand-alone freezer that would just be for PTC. But we would need to add another breaker. Cost would be \$500-\$1000 unless we find a license electrician. There is not a lot of space to put it in there. We are worried about putting it in the staff room that it would be an inconvenience. 2) Find a repair person to fix the staff room freezer so it would be easier to use. Also replace the freezer in the main office, that one is broken and will not close. Patty Fletcher said the breaker is usually an issue so it would be nice to get an electrician out to fix it.

You also get to go into buffet table first and a few other perks. Other tables will be \$1500 and will be available after Thanksgiving break. That first week when we return. Wine is all profit. We would like to get the beer and hard liquor donated. Elise is going to oversee craft cocktails again. Theme is disco fever, glam disco vibe. Auction is April 15th.</p> <p>David Osborn thought about doing a sponsor and contribute to all events. See if there is any interest in doing a flat fee and having a corporate sponsor for the entire year.</p>
