**Principal's Update**

Presenter	Shauna Newton/Teacher Representative
Item Summary	1. Schoolwide information
NO Vote needed	<p>Notes:</p> <p>1.MYP and PYP behavior incentive: hope to reinforce positive behavior rather than highlighting negative behaviors with hope to incentivize positive behavior. Elevate Golden Horseshoe with reward system rather that just a Friday school wide draw.</p> <p>2.Parent submitted question: How can we decrease teacher turnover?</p> <p>Answer:</p> <p>Shauna - Working toward that. Overall issue lies within education/teaching profession as a whole. Parent support is one of the biggest positive attributes that make it easier for teachers to manage classrooms. Parent's open mindedness and willingness to work together. Shauna is actively working towards building programs geared toward higher retention rate. Behavior systems and support will aid in this effort also.</p> <p>Courtney - PTC truly values our educators; teacher appreciation is very important to us. Our end goal as PTC is to make sure we can support the teachers in order to help with educator retention.</p> <p>3. Follow up to question from previous PTC meeting:</p> <p>Daddy Daughter Dance follow up - Can feel exclusive to those without a father figure. As an IB school it is important that we move forward as Fun Night Out For Girls in the spirit of inclusivity.</p>
