Questions submitted via Google survey

Presenter	Courtney Renick
Item summary	<ol style="list-style-type: none"> 1. Parents questions are discussed if any are received throughout public outreach, or comments from attendees are taken at this time of our meeting.
NO vote needed	<p>Notes: One question submitted: I appreciate what PTC does, but the meetings are held at inopportune times for teachers and working parents. Can we move meeting times?</p> <p>We did not have much participation last year when we alternated between morning/evening. Dates are set for this semester, but PTC is open to changing for next year. Will add to survey at end of year.</p> <p>Will PTC do BBQ for open house this year? Is it 6th grade event or PTC?</p> <p>This is a 6th grade level event.</p> <p>Question about brainstorming for field trips and getting reimbursed – can you sell them as a holiday gift to students? Make something so we could put it under a tree?</p> <p>Teachers are uncomfortable about hounding parents to pay for trips. PTC will talk to treasurers about PTC reaching out instead of teachers. We will look into it if we can connect the webstore to QuickBooks then we can invoice parents who haven't paid.</p>

Next meeting: March 17 2023. 8:15am in the LBCS library.
