Welcome and Introductions - Meredith Hoffman and Kristi Coupe

Ayes ____ Nos ____ Abstained ____	Approval of January Meeting Minutes
---	-------------------------------------

Facilities Update

There will be a meeting with the district's Facilities Director, Al Frangione. The district has hired an architect for the new school site and would like to hold a meeting with the PTC and the SSA to gather feedback on the proposed plans.

Treasurer's Report - Christy Witz and Jenny Calabrese

By unanimous vote, the board approved an increase to the assemblies budget to allow LBCS students to participate in IDAC, Breaking Down the Walls, a Touch of Understanding, Art Ark, and Extreme Science assemblies in the 2025-2026 school year. PTC is funding introductory costs for IDAC including costume pieces that will be kept for future use. PTC is asking parents to donate towards IDAC as an in-house field trip via myschoolbucks.

	<p>Year-to-date: Income and expenditures are within budget.</p> <p>PTC encourages families to minimize cash payments whenever possible. For best practice, field trips and other payments should be made by check or through the webstore.</p>

performance presented by the **International Dance Arts Collective (IDAC)**. Rehearsals have already begun and will take place during PE over the next two months with IDAC instructors. There will be **two performances** that evening. Families will also be invited to participate by sharing their culture or heritage—more details to come.

Art Ark:

Art Ark will be visiting LBCS in **February** for an entire week and will be located in the school parking lot. All grade levels will have the opportunity to rotate through the interactive exhibit. Additional details will be shared soon. Thank you to **Mrs. Clark** for organizing this experience.

A Touch of Understanding:

A Touch of Understanding will take place **February 18** for **5th and 6th graders**, with students participating in **1–1.5 hour sessions** throughout the school day. This experiential program promotes empathy, inclusion, and awareness by giving students hands-on opportunities to learn about disabilities and differences through guided activities and discussion.
