

Dear friends and family,

Loomis Basin Charter School (LBCS) is in our 14th year and has the distinction of being an International Baccalaureate (IB) World School offering both the Primary Years Program and the Middles Years Program. We are one of a few schools in California to offer both these educational programs on the same site.

Our vision here at LBCS is “We are a community of learners empowered to enact positive change in the world.” Our aim is to develop inquiring, knowledgeable and caring young people who help create a better and more peaceful world through understanding and respect. Our programs teach students to connect their classroom experiences to the real world around us and focus on developing critical and compassionate thinkers.

A CLOSE-KNIT COMMUNITY SCHOOL MAKING A DIFFERENCE IN THE WORLD

LBCS serves students from many local communities around Loomis. We are ranked among the **top 10%** of schools in the state, benefiting from highly-trained teachers and a longer school day. With total enrollment held at 436 and class sizes restricted to 26 students for K-3rd and 30 students 4th-8th, LBCS cultivates a strong sense of community for teachers, students and their families.

All donations go directly to support our vision of developing lifelong learners who are empowered to enact positive change.
