Item summary	Vote on approval of September 2021 meeting minutes		
Ayes_ 7 Nos_____ Abstention_____	- Meeting minutes approved for September.		
Update from Director and/or Teacher Representative			
Presenter	Lorena Brink/Teacher Representative		
Item Summary	<ol style="list-style-type: none"> 1) Big thank you to the jog-a-thon help, such a shining star of her day with all kids, families, booths etc, she was happy with this event. 2) Starstruck – kids are loving it. The teachers wanted to do it but scheduling purposes it couldn't happen this year, but maybe a talent show performance from the teachers possibly. 		

	<p>Lorena said she will circle back if any teachers want to join PTC dance for show.</p> <p>3) Vaccinations – they need to show their card for Covid shot one time for volunteers COVID testing must be non at home testing. It has to show the name and date on the test. They are good for the week, basically 5 days covered. There were a couple questions about at home testing that people do watch you at home virtually with a proctor that takes 15-30 min that Lorena said she is going to ask about this way to take the at home testing.</p> <p>The PTC board and teachers get free testing – Tuesday, Wed, Thursday 1-4pm. The testing is good for the week you are tested. And doesn't follow into the next week. Lorena is going to ask if you can prove you had covid so the antibodies if that will work in exception to the vaccine.</p> <p>After school events no vaccine card is required, just the volunteers when volunteering during school hours. Every parent needs to check in at the office, no running lunches or water bottle etc. must have the volunteer sticker on them in order to be on campus at all.</p> <p>Teachers have been notified and asked to inform parents to do this.</p> <p>4) Parade is going to be oct 28th at 2:15pm – parade is allowing parents as guests to watch the parade.</p> <p>5) Class parties coming up is still 2 volunteers per classroom and eating the food inside without masks on. Try to plan parties with eating the snack outside.</p> <p>6) Question asked about the school move and if a time frame for this. There is universal TK that has to happen soon, and possibly LBCS campus be the campus for this, so maybe a motivation for us to move and get answers soon. There is a specific site they are looking into, but there is a lot that goes into building a school. They have been saving school funds (non PTC fundraising funds) for years, to buy the land and prepare for building the new school.</p>

Presenter	Paula Valencia and Alison Davis

Item Summary	<p>1) Jog – a thon update – it was such successful event, they raised \$47,515 without the expenses deducted. It is technically still open, but this is amazing because the goal was \$30k and thanks to Paula and Kirsti for making it so successful. The thank you will be next week in the newsletter The winners were announced this morning at MRU and will be tomorrow for other half of school, and that was successful</p> <p>Popsicles are free for all students tomorrow for thanks for all the kids work!</p> <p>Ms D's class WON! And they are going to spend the \$200 on head phones and ice cream party.</p>

Class Event Updates

Presenter	Danielle Duffett
-----------	------------------

Item Summary	<ul style="list-style-type: none"> - Starstruck update – a program that we received last minute this year and students have a 30 min class once a week for 5 weeks, and the performance is on Nov 2nd. The cost is \$3,700 for the program, we are not putting it in our assembly budget this year so we have requested \$10 per child donation and this will make up for the \$3700 cost. Some schools make money, but we are looking to just break even. We have made \$810 so far. <p>This year the staff has declined to do the teacher performance, so the PTC is doing the dance instead.</p> <p>The tickets sales and how many people will be allowed etc, is still working on the logistics of it all. This is why we are doing assembly outside to allow as many as we are allowed, but possibly 2 tickets per family, still TBD.</p> <p>They will have to pay for each performance if there are students in both shows.</p> <p>Cost of tickets is determined how many \$10 donations are received.</p> <p>The kids will get to watch the performance during the day so they will have gotten to see the whole show while the kids during nighttime performance go back to the classroom</p> <ul style="list-style-type: none"> - Planning different assemblies planned this year – Nov 10th, for 7th and 8th graders – breaking down the walls. Community building, empathy, getting to know each other with open mind. Every other year is planned for this assembly. <p>School wide assembly Jan 25th – Stew Cade, promoting kindness on campus. It will be Broken out in different groups. He is from this</p>
--------------	--

	<p>area, and teachers pull subjects from this assembly to the classroom for months after to make it relevant.</p> <p>Touch of understanding would have had to been held virtually so we passed this year, but we are looking for another k-6 assembly. We are looking for one for the Springtime, so there are assemblies for all grades equal for the year.</p>
Carnival updates	
Presenter	Kelly T
Item Summary	<p style="text-align: center;">Carnival</p> <ul style="list-style-type: none"> - Tickets will be \$5 per student (under 5 is free) - snow cones, popcorn, 8th graders making games in woodshop, leadership doing stuff too, great list of volunteers already - They are considering doing a sprit wear booth too. - there is going to be an email sent out by Tammy to explain what the carnival is <p>There is s pumpkin carving contest Set up 10am this year.</p> <p>There is a confirmed juggler</p> <p>There is some yard maintenance to be worked on</p> <p>Everyone is coming up with new games for booths</p> <p>If classrooms are having a hard time finding volunteers to work the booth, the 7th and 8th graders would be willing to help too, 30 min slots is recommended</p> <p>No food games allowed</p>

Presenter	Danielle Duffett
Item summary	<ul style="list-style-type: none"> - Ikedas pie fundraiser - logistically difficult is getting the pies and distributing them, - The pies have to be increased to \$25 because Ikeda increased their price. - People has been asking about this, so there is interest and we don't lose any money - Maybe lower the amount of pies to choose from should be considered. Their most popular 4 pies. - The pick up of the pies will be Kathryn and Paula that volunteered to help with the pick up and distribution – 5-6pm drive through to pick up their pie. - Another family night - river cats game raised \$1016 for PTC! Drive in movie night in our parking lot and show a parking lot – Friday Dec 3rd . We need to get the logistics planned out, but we will be working on this as ptc and advertise in November. There will be limited tickets - Used uniform sale was success – we raised just under \$200! Amber will do the sale again in the Spring. - Danielle has an email out to district to see if we have to get approval to do parents night out at a place with alcohol. Since TOAST served and promoted alcohol, we think it should be no issue and its after school hours, but Danielle is asking. But we are looking for a parent night out. Maybe the 2nd week of November on the Thursday at Gander possibly

Questions submitted via Google survey	
Presenter	Jennie
Item summary	<ol style="list-style-type: none"> 1) June is ordering the sign – one on side of building of Darbro and front of school sign as you drive in. 2) Per Paula – Still working Tether balls. Got a quote for \$550 for 3, but having a hard time finding a spot to place the tetherball courts . We haven't given up just need to find the space since all areas kids utilize for something different. The quotes are in. 3) Livia - wristbands for carnival have been added to the webstore.
