Welcome - Meredith Hoffman and Kristi Coupe

Introductions

Facilities Update - Al Frangione, Sr. Director LUSD Facilities and Kristi Coupe

-Measure E Update: great job getting information out! Key point: bond is \$27 per \$100,000 assessed value.
 -Playground clock: ready to be placed on wall next to bathrooms to help students with time management
 -New school property: property was funded, purchase agreement complete. Property line agreement: working on the landscaped berm to separate new homes and Sierra College from school, and 8 foot fence to secure school. Perimeter road concept to unload Sierra College Blvd. Likely we'll have to have a traffic light at school entrance, and emergency entrance/exit. Survey ordered, topographical survey done. A few large oaks will be retained. Plan is to use newer technology with pre-stressed concrete buildings, which are fireproof and will not age or need maintenance. Geotechnical studies are underway.
 -New LBCS sign: Al is working on making a Faux rock LBCS sign.
