## Assemblies Update - Danielle Duffett

- Save the date** - The evening of March 5, all students K-8, will participate in a special performance (International Dance Arts Collective)
- In previous years, students have participated in Starstruck, but this year LBCS is trying something that more aligns with being an IB school.
  - This year, we are partnering with the International Dance Arts collective (IDAC)
  - Each grade will be introduced to an international dance starting in November or December.
  - Upon return from winter break, each grade will have 6-8 meetings to learn the dance, learn about the culture, the region, and the significance of the dance.

	<ul style="list-style-type: none"> <li>- A final performance will be held on March 5th, which will include a dress rehearsal in the morning, followed by an evening assembly.</li> <li>- The school will purchase the needed attire for each dance.</li> <li>- The aim is to grow this into a multicultural event.</li> </ul>
